

Veterinary Visit

Prepare for the visit. Communicate clearly.
Collaborate for the best care.

CURRENT PRIORITY

The biggest concern right now.

CHANGES OBSERVED SINCE LAST VISIT

What has been noticed at home.

APPETITE

Eating less? More? Any changes?

MOBILITY & ACTIVITY

Energy level? Movement changes?

SLEEP

Sleeping more? Restless at night?

QUESTIONS FOR THE VISIT

What would be good to understand better.

FURTHER NOTES

Anything else worth remembering.

BEHAVIOUR & COGNITION

Confusion? Restlessness?

COMFORT & PAIN

Pain signs? Stiffness?

OTHER CHANGES

Coughing? Accidents? Anything else?

RECOMMENDATIONS & PLAN

Notes, advice or plan from today.

Summary: _____

Medication / Supplements: _____
