

# Veterinary Visit

Prepare for the visit. Communicate clearly.  
Collaborate for the best care.

**CURRENT PRIORITY**

*The biggest concern right now.*

**CHANGES OBSERVED SINCE LAST VISIT**

*What has been noticed at home.*

**GROWTH & WEIGHT**

Gaining steadily?

**FEEDING & HYDRATION**

Eating and drinking well?

**DIGESTION & HOUSE-TRAINING**

Stool firm? House-trained?

**QUESTIONS FOR THE VISIT**

*What would be good to understand better.*

**FURTHER NOTES**

*Anything else worth remembering.*

**TEETHING & MOUTH**

Teeth changing?

**SKIN, COAT & EARS**

Coat, skin, ears – anything off?

**MOVEMENT & COORDINATION**

Movement, gait, coordination?

**RECOMMENDATIONS & PLAN**

*Notes, advice or plan from today.*
